What is your favorite thing about working at Pius X? The family like atmosphere is by far my favorite thing about working at Pius. Students and teachers are so friendly and willing to help you. There is a sense of belonging to St. Pius.

What's the best piece of advice you've been given? Be able to admit that you have made mistakes and laugh at yourself!

What do you like most about teaching as a career? Teaching allows me to be a mother (in a spiritual way) to more people than just my own biological children. I have the opportunity to walk with students in their life and faith journey, help them to understand the Faith, care for them, and so much more.
