St. Pius X Chapter National Honor Society Student Application Packet

Name	
------	--

Please read the entire introduction and packet carefully:

There are 4 parts of this packet that you need to complete: Co-Curricular Activities, Leadership Positions, Service Activities, and a Student Character Essay. Please fill out the Co-Curricular Activities, Leadership Positions, and Service Activities sections in the blank spaces provided in this packet as completely as possible. Type the Student Character Essay in a separate sheet in MLA format (this includes a heading block of name, NHS adviser's name, NHS, and date).

The Student Character Essay is the section of this application where students have the opportunity to inform the evaluation committee about activities in which they are involved outside of school, including but not limited to: any job experience, honors, awards, or recognition that they have received which support their applications to be selected for membership into the National Honor Society. Students may also include any other accomplishments or information that did not fit into the earlier sections of the application. In their essays, the applicants should also feature reasons as to why they feel they would be valuable members of the St. Pius X Chapter of the National Honor Society. This essay should be written assuming the evaluator knows nothing about the applicant.

This application is evaluated on a points-based system by a committee of teachers. The entire application is worth a total of 20 points. Each section is worth 5 points. Only students who receive 16 or more points will be accepted into the National Honor Society. This means that if a student leaves one of the four sections blank, he or she will automatically lose 5 points, earning a score of 15, and be ineligible to be inducted into the National Honor Society.

Because the Student Character Essay is worth 5 points, one point will be deducted for each spelling/grammatical/MLA error. Applicants should keep in mind that if they have more than four errors in their essays, their scores will not be high enough to be admitted into NHS, so PROOFREAD!!! Students should use MLA format for their essays. Also, because St. Pius X faculty members serve on the admission committee, students should NOT ask teachers to proofread their essay. Proofreading should be done by family members, peers, or someone outside of SPX.

This application is due Friday, September 6th, 2024 before 3:00 PM. Applications turned in later than the specified due date and time will not be accepted. Please turn in this entire application packet along with your Student Character Essay (typed on a separate sheet of paper) to the main office.

If you have any questions please contact Mrs. Schoemehl at school or via email at cschoemehl@stpius.com. Students not accepted into NHS have the right to one appeal, where the evaluation committee will consider that student's attendance record and overall St. Pius X service hours as part of the appeal process.

Part III: Service Activities (5 points)

Please list any service activities in which you have participated in High school and explain the duties of your service. These can be any activities completed outside of school or with school groups. For example: church groups, club sponsored activities inside and outside of school, Boy/Girl Scouts, volunteer groups, or community service projects. Note: Any work done during funding-raising activities for oneself or personal benefit is NOT considered service. (For example, you cannot include the event that you fundraised to be able to go on a trip with a group - that would be similar to getting paid for that time and therefore not a service)
