ANNA'S STORY

"After visiting Missouri Baptist with my class, I knew I wanted to learn more. The visit, along with conversations with the coaches and time spent in prayer as I compared my options, made it clear that MBU would be a great fit for me—academically, athletically, and personally. Receiving a \$24,000 scholarship was such an incredible blessing and gave me even more confidence that this is exactly where I'm meant to be."

"I'm especially excited to dive deeper into my degree and begin preparing for my future career as a physical therapist. On top of that, I can't wait to continue playing Softball at MBU."

"My time at St. Pius X gave me a strong foundation that is already proving invaluable. Academically, I developed skills like effective studying, problem-solving, and confidently approaching professors when I need guidance. The dual credit courses I completed will allow me to graduate early while still being fully prepared for my career. Beyond academics, the close-knit, supportive community at St. Pius X has given me lifelong friendships and mentors that I will always treasure. I feel well-prepared and confident to take this next step, knowing I carry both the knowledge and the relationships that shaped me."
