Dear Alumni of St. Pius X,

As always, there is a great deal happening at St. Pius X. We remain steadfast in our mission to provide a strong college preparatory education rooted in the principles of our Catholic faith.

This year marks the launch of our Lancer Academy—an exciting new initiative for students in grades 9–11 that offers unique, experiential learning opportunities outside the traditional curriculum. During the final 10 days of the school year, students will participate in a variety of academic, professional, and creative courses. Through specialized classes, field experiences, internships, and project-based learning, Lancer Academy is designed to deepen career exploration, strengthen practical skills, and inspire personal growth. To learn more, please visit: <https://www.stpius.com/the-lancer-academy.html>.

We are also pleased to share that we have renewed and expanded our merit scholarship with Missouri Baptist University (MBU). St. Pius X graduates who are accepted to MBU are now eligible for a \$24,000 annual scholarship. This aligns well with a new opportunity for students interested in pursuing Osteopathic Medicine. Lake Erie College of Osteopathic Medicine (LECOM) has partnered with Mercy Jefferson and several Missouri colleges to offer an affordable and accessible Pre-Med pathway.

In addition, for the first time in school history, our football team advanced to the Class 2 State Championship. While we did not bring home the title, we are immensely proud of this young team and excited about the future of the program. We are also moving forward with a multi-phased plan to build a new football field and track complex, an investment that will serve student-athletes for years to come.

Please continue to keep St. Pius X in your prayers as we work each day to fulfill our mission of providing a vibrant, faith-filled Catholic education.

Yours in Christ,

**Jim Lehn**

### Washers Tournament

St. Pius X is truly blessed to have alumni who step up with such generous hearts. On October 4, 2025, we celebrated the 4th Coach Bill and Carol Schmidt Memorial Scholarship Fund Washers Tournament—an incredible day rooted in love, legacy, and community. Thanks to the dedication of so many, an amazing \$15,266 was raised to help students who dream of receiving a Catholic education at St. Pius X.

Bill and Carol together devoted more than 50 years of faithful service to our school—Bill as a beloved teacher and coach, and Carol as a guiding presence in our front office. Their legacy continues to shine through the lives they touched.

“Thank you” hardly captures the deep gratitude we feel for the Schmidt family and the committee whose hard work brings this special tradition to life each year. We are especially grateful to the alumni whose devotion made this event possible: Larry Kist '75, Brian Westrich '76, Al Grossius '76, Rolfe Wagner '75, Pam LaPlant '75, and Mike Prindeville '76.

Your dedication embodies what it means to be part of the St. Pius X family. Thank you for keeping the Schmidts' legacy alive and supporting our students in such a meaningful way.
