

Experience Central Day

Saturday, March 10

Check out CMU during our Experience Central Preview Day; learn what it's like to be a student at CMU. Meet faculty in your chosen area of study.

This is a great opportunity to learn about Digital U and using the free iPad students get at Central. You can also find out more about the admissions process, financial aid, and scholarship opportunities. Campus tours are available and lunch is on us!

The event begins at 10 a.m. on the 4th floor of the Inman Student and Community Center.
