

As we close out another successful year, we are excited to start connecting with the future WashU class and look forward to meeting your students!

Here at WashU, we strive to know all of our students by name and story. That is why we would love for you to share our [Getting to Know You Form](#) with your students. This form provides a quick and easy way for students to introduce themselves, and also lets us know they are interested in receiving more information about WashU.

Once students submit the form, they will be invited to WashU events in their area, get updates about our academic programs, and learn more about financial aid and scholarships. We will also share information about upcoming fall visit opportunities – including [WashU Preview](#).

WashU Preview is an all-expenses paid fly-in program for high-achieving high school seniors from diverse backgrounds who are traditionally underrepresented in higher education. Students interested in being considered for WashU Preview should submit the Getting to Know You form, as this is an invitation-based program. Invited students will hear from us by mid-September – **so we recommend they fill out the form by August 17.**

Please let us know if you have any questions, and we cannot wait to meet your students!
