STAFF UPDATES:

- Admissions Advisor Ashley Jeffers has accepted a position as Coordinator of Student Services in the College of Pharmacy at her alma mater, SIUE, beginning in February. Ashley has made quite an impression on all of us, our students, and each of you—she will be greatly missed!
- Over the next several weeks, Ashley will be stopping by your school with Mindy Souvannalay, our other stellar Admissions Advisor, to help with the transition. Mindy has been working with our team since August with our non-traditional student populations and a handful of our other area high schools. Mindy will be our point person for high school visits this semester.

We look forward to an exciting semester ahead. As always, thank you for your continual support! If you have any questions, please do not hesitate to let us know!
