We offer groundbreaking academics with 145+ undergraduate majors, 100+ undergraduate certificates and minors, and 75+ graduate programs emphasizing national accreditation, experiential learning and career preparation. Let's help your students launch an extraordinary career.

If a student wishes to meet this suggested deadline, we recommend a November 1 application date. The Copper Dome Scholarship program now reaches over 70% of our students, allows superscoring, is test optional, stackable, grows with the student each year they renew, and students keep their Pell grant and other need-based aid.
- **Monday, Nov 12: Show Me Day with Diversity and Inclusion Showcase** - We are hosting a Show Me Day open house event on Monday, Nov. 12 with a Diversity and Inclusion Showcase and would like to invite you to bus students from your high school. Benefits include free lunch in Towers Cafe, academic and student life fairs, and sessions including Financing Your Education, Living on Campus, Diversity & Inclusion, and Transferring to Southeast. Register your group at [semo.edu/showmeday](http://semo.edu/showmeday).
