What is your favorite thing about working at Pius X?

The family atmosphere, the caring and respectful students.

Outside of work, what are you passionate about?

Traveling, meeting new people and seeing new places.

What has surprised you most about working for Pius X?

To see how the teachers care about each student and guide them to reach their fullest potential.

What do you like most about teaching as a career?

I like to interact with the students and be able to influence them in a positive way.

What is your philosophy of education?

Anything you do in life, small or big do it with great love and happiness.

What is the greatest success you have had in teaching?

To see my students to succeed in life.
