Dear Friends of St. Pius X,

We are approaching the 60th anniversary of St. Pius X High School. This is an opportune time to reflect on where we started, where we are now and where our vision for the future will lead us. Reflection helps us recognize what we have achieved and what remains to be accomplished.

*Where we started...*in 1959, a dedicated group of leaders within the Archdiocese and Jefferson County created the first Catholic high school to serve this region. We thank them for their dedication and courage. Almost 60 years later, we remain the only Catholic secondary school in this region. Over 4,000 St. Pius X graduates have experienced our extraordinary culture, moving on to vocations and callings throughout the world.

*Where we are now...*despite the demographic challenges and evolving landscape of parochial education, we continue to be an anchor of Catholic secondary education in the southern portion of the St. Louis Archdiocese. We are that anchor even though the actual cost to educate a student exceeds the tuition received. This trend will continue as we rededicate our efforts to make our Catholic education affordable for anyone in our region. We humbly accept these challenges and continue to support our mission through various efforts to offset the cost to educate.

*Where we are going...*as we continue to focus on our core mission to educate the mind, body and soul of all those who attend St. Pius X, your support is a vital component of our future success. The growth of our school will be dictated by not only our enrollment, but also the continued improvement of the campus, facilities and education. ~ *“With man this is impossible, but with God all things are possible.”* ~ Matthew 19:26 ESV

May God continue to bless our families, community and all who support our mission.

Kindest regards,

Jim Lehn  
President

## VISION STATEMENT

We, the Catholic learning community of St. Pius X High School, strive to maintain recognized excellence in all educational programs for students of all abilities. We strive to impart Christian ethical principles of living to students, preparing them to be productive and contributing members of a global society. We, as members of the St. Pius X High School community, seek to challenge each other individually to become lifelong learners in mind, body, and soul.

## MISSION STATEMENT

St. Pius X High School is a Catholic community dedicated to the education of the whole person in an environment where extraordinary care and concern for the individual is ordinary.

The following pages contain a comprehensive listing of all gifts received by St. Pius X High School between July 1, 2017 and June 30, 2018. **The Advancement Review** gives St. Pius X the opportunity to publicly acknowledge the donors who have actively expressed their support. The students, faculty, staff, administration, and alumni of St. Pius X are truly indebted to our benefactors who make an education at St. Pius X possible for hundreds of young men and women. A special thank you is extended to all the individuals and organizations whose names appear in this report. We apologize for any errors or omissions and ask that all corrections be called to the attention of the Office of Advancement. We invite all who share in our mission of Catholic education to support generously and meaningfully this apostolate of preparing today's generation of students to serve God and His people.

The St. Pius X High School Business Alliance Program is designed to provide businesses with true marketing value for their support of our school and activities. We provide a return on investment through the number of impressions via social media messaging and advertisements, all while striving to minimize multiple requests for donations and sponsorships throughout the year.
