Dear Friends of St. Pius X High School,

With the recent passing of Father Donald Dalton, St. Pius X High School lost a long-time leader of our school community. He was always committed to our mission to provide an affordable Catholic education in our community. I am sure he is quite proud of what he helped build and I am certain that he is pleased with all that St. Pius X High School has become. We who are left to help carry on that mission are committed to ensure that St. Pius X High School stands on a solid spiritual, academic, and financial foundation.

In these pages of The Advancement Review, you will find the many people who generously gave their treasures to help St. Pius X High School remain financially sound and continue its mission. We want to personally thank each of those who contributed, helping St. Pius X High School achieve its third consecutive record-breaking fundraising year.

We are truly blessed to be surrounded by such an elite school community of students, parents, teachers, alumni, and friends who continue to bless us with their generosity.

We will continue to be prudent with the resources you have committed to us and we will remain committed to help every child, regardless of wealth, have the opportunity to receive a Catholic education at St. Pius X High School.

VISION STATEMENT

We, the Catholic learning community of St. Pius X High School, strive to maintain recognized excellence in all educational programs for students of all abilities. We strive to impart Christian ethical principles of living to students, preparing them to be productive and contributing members of a global society. We, as members of the St. Pius X High School community, seek to challenge each other individually to become lifelong learners in mind, body, and soul.

MISSION STATEMENT

St. Pius X High School is a Catholic community dedicated to the education of the whole person in an environment where extraordinary care and concern for the individual is ordinary.

The following pages contain a comprehensive listing of all gifts received by St. Pius X High School between July 1, 2016 and June 30, 2017. **The Advancement Review** gives St. Pius X the opportunity to publicly acknowledge the donors who have actively expressed their support. The students, faculty, staff, administration, and alumni of St. Pius X are truly indebted to our benefactors who make an education at St. Pius X possible for hundreds of young men and women. A special thank you is extended to all the individuals and organizations whose names appear in this report. We apologize for any errors or omissions and ask that all corrections be called to the attention of the Office of Advancement. We invite all who share in our mission of Catholic education to support generously and meaningfully this apostolate of preparing today's generation of students to serve God and His people.

The St. Pius X High School Business Alliance Program is designed to provide businesses with true marketing value for their support of our school and activities. We provide a return on investment through the number of impressions via social media messaging and advertisements, all while striving to minimize multiple requests for donations and sponsorships throughout the year.
