

Service Hour Form

Beginning with the class of 2022: At St. Pius X High School, we believe that service is an integral part in living out the Catholic Faith. In order to foster service in the hearts of our students, St. Pius X requires service hours within the family. The way that we act within our family is the foundation for our character and treatment of others around us. As St. Teresa of Calcutta said, “It is easy to love the people far away. It is not always easy to love those close to us. Bring love into your home, for this is where our love for each other must start.” We believe that the family is not only the foundation of society and faith, but also service which is why we require service hours done inside the home for all four years at St. Pius X.
