CURRENTLY LOOKING FOR:

Parent Club contributes funds to the school in various ways. The funds are made through several sources here at school. Two of which are the concession stand and the spirit store. Parent volunteers are a vital piece in keeping these services open to our visitors, students, and participants. Please considering donating your time.

Concessions: A volunteer chairperson is needed to make sure the outside concession stand is open and closed, for all home baseball & soccer games. There are 17 games to be covered (10 baseball & 7 soccer) Consider volunteering with a co-chair, two sets of hands is half the workload. This volunteer(s) is the first shift, he/she sets up the food for the volunteers coming in to work. This volunteer chairperson will support the volunteers that are coming to fill a shift. There is no stress of ordering or stocking of product. We have that covered.

Spirit Wear: A volunteer chairperson is needed for the outside spirit wear trailer. There are 17 baseball & soccer games. Consider volunteering with a co-chair, two sets of hands is half the workload. This volunteer chairperson opens and closes the trailer for home games, stocks the trailer from the inside store and keeps track of all sales. You will go over the procedure for this position with the volunteers and verify they are comfortable with the tasks requested of them. It truly is a matter of having someone responsible for showing up to set up and let the volunteers in.

More info is available on each position just contact Sarah Schweigert at stpparents@stpius.com
