Spirit Wear – Changes

- If you have been by the store lately or the trailer outside I'm sure you noticed it is looking sparse. My apologies for this, we are currently trying to overturn some inventory that we have been sitting on for a long time. The GOAL is to have a better looking brand and more recognizable logo! In order to do so and determine exactly what is selling and wanted by the students and parents. There will be some updating done in the store soon as well. Currently the catalogue is off of the website. Updates are being made, and it will be back online ASAP.
- Uniform options is something that we having been thinking about. Is it something you feel is needed? A second provider for immediate needs, we thought about keeping a small inventory on hand in the store.

Donation Requests –

- SPX Rally towels, were sold at the last couple of football games. For \$5.00 each a total of 40 towels have been sold.
 - 100 were purchased by Maggie Kiser for \$309.00 she would like to be reimbursed for them. A motion was made by Janelle Dinwiddie and seconded by Terin Fechter. The motion carried.
 - When all 100 are sold we stand to make \$191.00

Old / New Business:

Financials – Terin Fechter

- Current Balance – approximately \$30,000.
- We are trying a new process this year with record keeping and tracking. The Archdiocese makes things kind of complicated, so we are working with Kim & Donna to eliminate the extra hoops we have to jump through to monitor our money.
