

Cafeteria Service
For 2020-2021 School Year
Food Service Consultants
Cafeteria Manager (636) 931-7488 ext. 109

The Cafeteria uses an Automated Meal Card System. Below is a brief explanation of how the program works.

- The meal card system is not mandatory. If you do not wish to participate, you can send money with your student daily or he/she can bring lunch from home.
- Your student's ID card will also be their meal card.
- There is no charge for using the meal card system.
- The system is fully computerized and accountable.
- Cards are scanned when purchases are made, similar to a grocery store.
- The transaction is then deducted from the balance.
- The meal card system records all deposits and purchases on the account and tracks the balance daily.
- Balances will roll over semester to semester and year to year.
- Graduates may have the balance passed on to a sibling or given a refund.
- Student balances can be viewed on the school website www.stpius.com under the student tab.

In the event of a lost card the student must report to the school office to have a new card issued. There is a \$5.00 charge for the replacement card.

- The initial check or deposit must be a minimum of \$25.
- We estimate that your student will need \$25 - \$30 per week, depending on what he/she chooses to eat. A plate lunch is \$4.85.
- If the account falls below \$10, the cashier will tell your student. This will allow you time to send in additional money.
- If the account balance falls below zero, your student will be required to pay cash until additional money is deposited.
- St. Pius X High School does not add funds; Food Service Consultants is wholly responsible for adding funds to the student's account.
- Students may not charge any items at any time.

The cafeteria service is provided by Food Service Consultants (FSC). Please make checks payable to Food Service Consultants, write in lunch and your student's first and last name on the memo line. Money may be brought to the main office before 8:00 am to be credited to the account. Any money brought is later may not be added to the account by lunch time.

Questions regarding your student's account, food purchases and balances should be directed to the Cafeteria Manager. (636) 931-7488 ext. 109
